# Web Announcement 295

## Update to Vaccine Administration Rates and Codes

The rates for the following Current Procedural Terminology (CPT) vaccine administration codes have been updated in the Medicaid Management Information System (MMIS): 90465, 90466, 90467, 90468, 90471, 90472, 90473 and 90474.

There will not be any reprocessing of claims.

The [attached document](#) lists the current available rates and codes that are now reflected in the MMIS.
